

THE DISTRICT COUNCIL OF BLACK RIVER

NOTICE

EXPRESSION OF INTEREST – COLLECTION OF PET BOTTLES

The District Council of Black River invites for an “Expression of Interest” from persons, companies and NGOs involved in wastes recycling to provide services for the collection of PET Bottles from Eco-Points fixed within the District Council Area of Black River.

The District Council has installed 12 Eco Points (Sites listed hereunder) for the collection of PET Bottles and intends to fix a further 16 bins and is inviting interested persons, companies to submit their offer for the emptying of the bins.

The selected person or company shall have the following responsibilities:

1. Emptying of the eco bins on a regular basis or as and when required;
2. To keep the eco bins under lock and to carry out minor maintenance works (e.g painting) ;
3. To keep records of the volume or weight of the PET Bottles collected and submit same upon request to the council;
4. To carry out sensitization campaigns in connection with disposal of PET Bottles

Proposals in sealed envelopes clearly marked “Collection of PET Bottles” should be accompanied by a copy of Business Registration Card, Valid Trade fee receipt or exemption certificate from a local authority, the amount you intend to pay the council for the PET Bottles per kilogram and a brief description on how the PET Bottles will be disposed of.

The selected person, company or NGO may be required to make a presentation of its project to members of the Council.
